TYR Semana Nautica Swim Meet

Los Banos Pool, Santa Barbara, CA

July 3-5, 2009

Santa Barbara Swim Club (SBSC) is again hosting the TYR Semana Nautica Age Group Swim Meet. This large aquatic event draws hundreds of local swimmers as well as teams from all over California. We are presenting beautiful "High Point" plaques to the top six swimmers in each age group as an exciting way to reward 108 of the 500+ athletes who will attend this competitive meet.

To help make this event successful, SBSC is asking local businesses or individuals to sponsor one or more age groups at this meet. For only \$75, your business (or individual's) name will be engraved on these large, beautiful plaques which will forever be treasured by the recipients. Your name will also be listed on the special sponsor's page in the swim meet program. SBSC is a 501-C non-profit organization which means your donation is 100% tax deductible. This is a wonderful way for you to sponsor a local non-profit youth organization while receiving public recognition for your generosity. Please return this form by June 8, 2009. Contact Holly King (phone:805/680-8450; email: hsc3@cox.net) with any questions.

For our swim club parents: Your \$75 will be credited to your club support statement for each age group you (or a business) chooses to support. Please email Holly King (hsc3@cox.net) right away to reserve an age group to sponsor (and mail your check as specified below).

Please help by sponsoring as many categories as possible! Circle your first choice(s) and write in your alternate choices (in case your first choice age group is already taken).

Circle your first choice(s):

Boys (age) Girls (age)

7 & under 7 & under

8 8

9 9
